ADVANCE YOUR CAREER

Networking

Networking is a great way to get answers you need to questions you have! Through organizational functions and the Regional Mentor Network, you will come into contact with peers in the ophthalmic community. You will be able to discuss new issues, broaden your perspectives, and share knowledge as you build a network of colleagues.

Regional Mentor Network

The regional mentor network consists of ATPO members who are available to assist you in different regions of the United States. Think of them as your neighborhood "welcoming committee". Your Regional mentor is available to answer your questions about ATPO! They can also help you with suggestions on how to tackle a task or problem you may have with your job - from office procedures / policies, to skills and certification.

Job Posting Service

Good news for job seekers and employers - visit the **ATPO Career Connection!** ATPO and Local Eye Site have partnered to bring you the most comprehensive online employment network for eye care professionals. The site includes: find a job, search by state and position, post a job, online application, instant submission, and Connect2Hire technology. Visit the ATPO Career Connection at www.atpo.org.

Leadership Roles

Regular Members can chair committees and hold office in ATPO.

Local Continuing Education Meetings

ATPO is always eager to recruit members to establish local geographical CE meetings.

Opportunities to Volunteer

As a volunteer you can help support ATPO by helping out at the Annual Scientific Session and Grand Rounds, at regional meetings, with Regional Mentor Network, and various committees that make ATPO the success it is!

And More!

- *Viewpoints* Magazine and monthly eNewsletter
- Vote, hold office, and serve on committees and task forces
- Participate in advocacy and legislative activities
- Mentor a student or young career professional
- Enhance the image of the organization and profession it represents
- Educate the general public
- Participate in special interest focus groups

Support Beyond Certification
Focused on your future!
