**CRITERIA AND APPLICATION FOR CONTINUING EDUCATION PROVIDERS**

IJCAHPO continuing education credit is the internationally-recognized benchmark for excellence in continuing education for Allied Ophthalmic Personnel (AOP). We appreciate your organization’s interest in providing IJCAHPO-accredited continuing education credit-earning opportunities for AOP.

The IJCAHPO Criteria and Application for Continuing Education Providers is also available on our website at www.jcahpo.org/services.

This criteria and application handbook supersedes all previous editions of the Criteria & Application for Continuing Education Providers currently available.
GOAL
The goal of accrediting continuing education (CE) programs is primarily to promote a level of substance and quality in the training and continuing education of allied health personnel in ophthalmology. IJCAHPO CE accreditation of a program denotes that it has been reviewed and meets standards in the field.

FORMAT
Educational offerings may be delivered in various formats. For CE credit review purposes, the following formats have been identified:

(1) Classroom (On-site)
(2) Live Stream
(3) Distance Learning

PROCESS
Programs submitted to IJCAHPO to be reviewed for CE credit are processed at the IJCAHPO office and forwarded for review to the IJCAHPO CE Credit Review Committee, which is comprised of ophthalmologists and certified AOP. This committee reviews each submission and awards CE credit if the established criteria are met. Applications and content are confidential.

DEFINITION OF TERMS
Accredited: Officially recognized as meeting the essential continuing education requirements.
CME: Continuing Medical Education.
CPD: Continuing Professional Development.
Host Organization: The organization or individual who hosts an educational event whose duties include (but are not limited to) holding the event, promoting the event, securing conference space, collecting registrations, and covering expenses.
Program: An educational activity consisting of one or more lectures or presentations. The terms seminar, conference, course, meeting, and program are used interchangeably.

IMPORTANT: The program must be submitted in its entirety. Partial programs are not accepted.

PROGRAM DIRECTOR/CONTACT PERSON RESPONSIBILITIES
The program director/contact person is the authorized representative of the provider (Host Organization) of the CE program. The contact person is responsible for the following:

(A) Planning and/or coordinating the program
(B) Applying for CE credit
(C) Implementing and evaluating the program
(D) Retaining participant roster, sign-in sheets, completed quizzes, and program evaluations
(E) Providing CE credit reporting forms
(F) Submitting the registration list, sign-in sheets, and completed evaluations

MISSION STATEMENT
To promote global eye health and prevent blindness through training program accreditation, education and the certification of Allied Ophthalmic Personnel.
GENERAL INFORMATION

Determine Program Date/Time/Location

Finalize Content + Secure Faculty and Credentials

Develop All Program Materials
- Application
- Payment
- Program schedule
- Speaker form(s)
- Sample CE credit reporting form
- Sign-in sheets
- Sample program evaluation
- Promotional material/advertisesments
- Other materials if applicable: post-test/quiz and copy of the complete program

Submit All Required Materials to IJCAHPO for CE Credit Accreditation Consideration

Submit List of Registered Attendees and Completed Sign-in Sheets to IJCAHPO Within 30 Days After Program Date

MD/DO
- Clinical judgment
- Diagnosis
- Treatment
- Surgery
- Disease

Registered Pharmacist or PhD Pharmacologist
- Drugs
- Medication

Qualified Non-Physician
- Patient care
- Diagnostic testing
- Equipment
A. FORMAT

Educational offerings may be delivered in various formats. For CE credit review purposes, the following formats have been identified:

1. Classroom (On-site)
2. Live Stream
3. Distance Learning

1) Classroom (On-Site) Education/Training Definition: Classroom—or on-site—education/training is the traditional form of learning in which students come to a classroom or other location where learning and instruction take place with an instructor in the room (lectures, seminars, workshops [learning labs], and panel discussions).

2) Live Stream Education Definition: Live Stream education is a one-time educational program that is being delivered through a live broadcast over the internet, intranet, local network (or any other media) in which the instructor is at a distance from the audience. This includes when the participants are in a classroom together (removed from the instructor), if the participants are all in separate locations, or if it is combination of both.

3) Distance Learning Education Definition: Distance Learning education is defined as a course/program that is delivered outside of the classroom, i.e., online, email, webinar, live stream re-broadcasting, publications and mail. Distance Learning can also be in combination with traditional classroom (on-site) education/training that includes teacher and student interaction (additional fees may apply). Delivery format may be electronic, online, CD, DVD, webinar, or print media.

SUBMISSION GUIDELINES

All Programs

• The entire CE program must be submitted for credit. Partial programs and programs less than 30 minutes are not accepted.
• Courses must be submitted in full and include course descriptions, learning objectives, speaker forms, CE credit reporting forms, promotional materials, sign-in sheets, evaluations, completed application, and appropriate fees.
• Courses can be submitted in print or electronic form.
• If submitting electronically (ex: email or ShareFile) or faxing, submit one copy of the complete program. If mailing, submit two (2) copies of the complete program (course materials, PowerPoint slides, etc.). Distance education applications and supporting materials cannot be faxed.
• Fees are charged for each individual title or topic. Topics may not be grouped for Distance Learning and submitted together as one course.

Game Show Specific Guidelines

• The entire game show program must be submitted for review, along with all other required materials. Partial submissions will not be accepted.

Live Stream Specific Guidelines

• Programs must include a post-test/quiz and evaluation. Post-test/quiz must contain a minimum of 10 multiple-choice questions and should contain 10 questions per CE credit hour requested. Only those students who receive a passing grade (80% or higher) on the post-test/quiz and complete the program evaluation may receive IJCAHPO CE credit.
• If host organizations can prove registrants attended the Live Stream for programs of 3 hours or more, the IJCAHPO CE Credit Review Committee will consider waiving the post-test/quiz for the entire Live Stream program. A detailed description on how this will be done must be submitted with the application.
• If host organizations wish to re-broadcast the recording, they must complete a new Distance Learning application.

Distance Learning Specific Guidelines

• Programs must include a post-test/quiz and evaluation. Post-test/quiz must contain a minimum of 10 multiple-choice questions and should contain 10 questions per CE credit hour requested. Only those students who receive a passing grade (80% or higher) on the post-test/quiz and complete the program evaluation may receive IJCAHPO CE credit.
• When submitting for CE credit, programs must include the complete text/visuals of the course(s), along with the post-test/quiz and correct answers.
• Online access to review courses must be granted, as well as submitting in print or electronic form.

Application Must Be Complete to Be Accepted

• All applications must include all applicable items.
• All fees must be included for your application to be considered complete.
• IJCAHPO will not accept incomplete applications.

CALCULATE THE NUMBER OF CREDITS REQUESTED AND PAYMENT OF FEES

1) Add the total number of minutes for all courses that are submitted for credit.
2) Divide the total number of minutes by 60 to find the total number of hours.
3) Round the total number of hours up or down to the nearest quarter hour to determine the total number of credits requested.

Example: A program has 8 courses that are 50 minutes long.

1) 8 courses × 50 minutes = 400 minutes (total number of minutes)
2) 400 minutes ÷ 60 = 6.67 hours (total number of hours)
3) Total number of credits requested = 6.75 credits
B. CE CREDIT

All Programs

- CE credit is awarded for actual instruction time, including question and answer periods. CE credit is not awarded for time spent in registration, breaks, or completion of evaluation forms. Programs less than 30 minutes are not accepted.
- CE credits are awarded on a 1:1 basis per course hour (60 minutes), not per day, and are awarded in 15-minute increments.
- The IJCAHPO CE Credit Review Committee determines the number of awarded credits using the same calculation formula for the submission and payments of credits.
- CE credits are earned only for courses actually attended. Credits are denied for missing more than 15 minutes of any course.
- The contact person/host organization is required to retain post-test/quiz answers, sign-in sheets, registration lists, evaluations, and CE credit reporting forms for each individual for a minimum of three (3) years due to IJCAHPO recertification cycles and audit purposes.
- If you falsify your application or CE credit reporting forms, falsely advertise your CE program's accreditation status, etc., all CE credits will be revoked from your program, and future applications may be denied.

Classroom (On-Site) Education/Training

- CE credit is awarded for the specific date it is requested. These programs may be repeated (with the exception of in-service training). If the content, faculty, or duration changes, the course must be submitted as a new application.

Live Stream Education

- CE credit is awarded for the specific date it is requested and is valid for the date of the program only. These programs cannot be repeated. If host organizations wish to re-broadcast the recording, they must complete a new Distance Learning application.

Distance Learning Education

- CE credit is awarded for two years in one payment. These programs cannot be repeated. After two (2) years, the program must be submitted as a new Distance Learning application.
- List the total time in hours/minutes for participants to meet all requirements of the activity. Clearly describe the method used to determine the request for an appropriate number of CE credits. One method is pilot testing, in which individuals who represent the target audience complete the learning activity and document the time required to complete it, including the post-test/quiz.
- Articles of printed materials must contain 7,500-12,000 words to be awarded 1 CE credit, depending on difficulty.
- Articles must be submitted in Microsoft Word format with the word count.
- If the program is based on a slide-type presentation (such as PowerPoint), a typical 1 CE credit course must contain a minimum of 50-70 slides of actual content.
- Distance Learning CE credits are NOT awarded on time alone; content will also be considered.
- The expiration date of the awarded CE credit must be published.
- Evaluation forms must be submitted annually at the end of the CE course's approval cycle.

C. CONTENT

Continuing education programs, for which IJCAHPO CE credit is requested, shall upgrade, extend, or expand skills and knowledge in ophthalmic medical assisting.

AOP may be taught to recognize and understand certain abnormalities and principles of therapy; however, they are not taught to make medical diagnoses or to treat diseases.

Description

Attach a brief course description for each lecture or workshop.

Learning Objectives

In measurable terms, attach a document that describes what the audience should be able to demonstrate upon completion of the course.

Prerequisite

Required for advanced courses. Outline minimum skills, knowledge, or experience you expect of the audience to fulfill learning objectives.

D. CONTINUING MEDICAL EDUCATION (CME) COURSES

Physician courses awarded CME credits have been approved by the American Medical Association (AMA) or the Canadian Medical Association (CMA). Courses that have been awarded CME Category 1 credits in Ophthalmology are automatically recognized as Group B CE credits and do not need to be submitted to IJCAHPO for review. However, reference to IJCAHPO approval may not be made in advertisements unless a formal application with fee has been submitted and the program has been accredited by IJCAHPO.

- 2 contact hours = 1 B CE credit for COAs, CCOAs, and COTs
- 1 contact hour = 1 B CE credit for COMTs

E. COPYRIGHT LAWS

By submitting a self-instructional activity for approval, you are automatically confirming that the material is original and that you are adhering to copyright laws. Copyright or copyright permission authorizes that the copyright holder has exclusive legal rights to the reproduction or distribution of their work. Prior to any use of an original work (e.g., text, graphics, tables, images, etc.), permission to reprint must be acquired from the copyright holder (i.e., author, publisher). IJCAHPO does not assess the originality of submitted educational material and is not responsible (is held harmless) for any resulting copyright infringements.
### F. COURSE CATEGORIES

All ophthalmology (eye-care) related topics, regardless of the relation to an examination content area, can be accredited for Group A CE credit for classroom (lecture), workshops, and Distance Learning courses. Courses/seminars must be submitted to, and approved by, ICAHPO’s CE Credit Review Committee to qualify for CE credit.

H. FACULTY QUALIFICATIONS

The following faculty qualifications apply to all educational formats (refer to Policy: Format)

**Clinical Judgment, Disease, Medical Diagnosis, Medical Treatment, or Surgery**
Courses that involve the above topics must be taught or principally authored by a medical doctor (MD) or a doctor of osteopathy (DO). If a non-MD or non-DO is presenting or authoring the course on any of these topics, an MD or DO must play the major role in the development and delivery of the course.

**Pharmacology**
Courses on pharmacology must be taught or principally authored by a registered pharmacist, PhD pharmacologist, medical doctor (MD), or doctor of osteopathy (DO). Incidental references to pharmacological agents do not violate this policy.

**Qualified Physician**
*The physician* must:

1. Hold a current, valid license to practice and be free from any disciplinary action by their licensing board, and
2. Be knowledgeable, current, and skillful in the subject area of the course as evidenced through:
   a. Experience in teaching similar subject areas within two years preceding this program, or
   b. At least one year of experience within the last two years in the specialized area in which they are teaching.

*The American Medical Association’s (AMA) definition of “physician” is accepted for IJCAHPO’s purpose: “A physician is a medical doctor (MD) or doctor of osteopathy (DO) currently licensed to practice medicine and surgery in all its branches.”

**Qualified Non-Physician**
*The non-physician must:

1. Be currently licensed or certified in their area of expertise, if appropriate, or
2. Show evidence of specialized training which may include, but not be limited to, a certificate of training or an advanced degree in the given subject area, or
3. Have had at least one year of experience within the last two years in the specialized area being addressed.

**Certification Examination Review Courses**
Instructors for Certification Examination Review Courses must hold proper credentials, such as a medical doctor (MD), doctor of osteopathy (DO), or IJCAHPO certification at or above the level in which the course is being taught.

**Financial Interest Disclosure**
Instructors are required to declare any financial interest, relationship, or advisory capacity with any designated company, regardless of relationship to topic. Each speaker must complete AND sign the Speaker Form. The signature of the program provider/contact person will not be accepted.

Acknowledgment of financial interest shall be made in the program bulletin or promotional flyer (e.g., an asterisk) and at the time of the presentation.

Program evaluation forms must include a question for course attendees as to whether a financial interest was disclosed during the presentation.
I. PUBLICATION ON IJCAHPO WEBSITE
Accredited classroom (or on-site) programs will be published on IJCAHPO’s website for up to 30 days prior to program date, if requested on the application.

J. BROCHURE/PROMOTIONAL MATERIAL
A copy of the brochure or promotional materials must be submitted with the application. If a final copy is not available at the time the application is submitted, a draft may be submitted until the final copy is available and sent to IJCAHPO.

K. ADVERTISING IJCAHPO CE CREDIT HOURS
*IMPORTANT:* Advertisement of IJCAHPO CE credits requested CANNOT be published anywhere until you receive written confirmation from IJCAHPO that your program application and required materials have been received.

When advertising IJCAHPO CE credit hours in promotional materials, brochures, notices, electronic media, and websites, one of the following statements MUST be used:

**CE credit requested, but not yet received:**

1. “This program has been submitted to IJCAHPO for consideration of CE credit.”

   The number of CE credits requested, however, CANNOT be published and providers CANNOT use the statement “CE Credit Pending” in any advertisements.

**CE credit received:**

2. “This program has been accredited for ________ IJCAHPO CE credits.”

   Host organizations MUST publish the CE credit expiration date (for Distance Learning):

   3. “The awarded CE credit expires on ________.”

*IMPORTANT:* IJCAHPO-accredited CE programs may not use the IJCAHPO name or logo on any promotional material, course title, or infer in any way that the program is an IJCAHPO-sponsored program. Applicants for CE credit may not in any way advertise or promote, including internet metatags, any affiliation with or endorsement by IJCAHPO without the expressed written consent of IJCAHPO. Failure to comply with this provision will result in CE credit being revoked and future CE credit applications may be denied.

L. DISCLAIMERS
For all IJCAHPO-accredited CE programs, the following disclaimer is required on all publications (e.g., program advertisements, brochures, notices, etc.) and on the CE credit reporting forms:

This program is not sponsored by IJCAHPO; it is only reviewed for compliance with IJCAHPO standards and criteria and awarded continuing education credit accordingly; therefore, IJCAHPO cannot predict the effectiveness of the program or assure its quality in substance and presentation.

Certification Examination Review Courses
In addition to the above disclaimer, courses intended to prepare attendees for IJCAHPO’s certification examinations are required to have the following disclaimer on all publications (e.g., program advertisements, brochures, notices, etc.) and on the CE credit reporting forms:

Course material is based on the instructor’s interpretation of the content areas outlined in the IJCAHPO “Core Criteria Handbook for Certification and Recertification,” and the instructors of this review course have no direct knowledge of the specific certification questions.

Equipment/Product Training Courses
Courses presented as training on the implementation of specific equipment or products are required to have the following disclaimer on all publications (e.g., program advertisements, brochures, notices, etc.) and on the CE credit reporting forms:

This is proprietary information presented to allow students to master a specific task or process. Alternatives to this technology may exist and a well-informed technician should have knowledge of those alternatives as well.

M. SPONSORSHIP, COMMERCIAL SUPPORT, AND CONFLICT OF INTEREST GUIDELINES; DISCLOSURES
All applications must identify all types of sponsorship or commercial support received for the program seeking CE approval. In addition to declaring that there is sponsorship or commercial support for a program, the host organization must list the sponsoring organization(s) and the amount of sponsorship/commercial support given for that program.

In addition, the host organization applying for CE credit approval must be the organization managing the program (logistics, registrations, fees, speakers, etc.). Any breach of this will result in denial of any future CE approvals, revocation, or suspension as determined by IJCAHPO’s CE Credit Review Committee.

Sponsorship declared for a given event must be differentiated from unrestricted educational grants offered. All programs must publish any sponsors or commercial supporters in all marketing collateral for the program.
N. COMPLIANCE
Failure to comply with IJCAHPO continuing education policies or the Speaker Code of Conduct and Responsibility, may result in denial or revocation of continuing education credits and participation in IJCAHPO-sponsored events.

Revocation of IJCAHPO CE Credit
IJCAHPO reserves the right to withdraw or deny CE credit from any activity and/or provider on the following grounds:

1. Use or misrepresentation of IJCAHPO’s name;
2. Use or misuse of the IJCAHPO name on any provider’s marketing material without IJCAHPO’s approval;
3. Misrepresentation of the information submitted in the application;
4. Failure to comply with IJCAHPO policies and procedures;
5. Misrepresentation of the advertised information for the activity;
6. Falsification of information on the CE credit reporting forms; or failure to provide IJCAHPO-required information on CE credit reporting forms;
7. Advertisement or transfer of IJCAHPO CE credit for an activity that has not been approved;
8. Misrepresentation or false representation to IJCAHPO or the participants; or
9. Falsifying applications or CE credit reporting forms.

O. ATTENDANCE AND EVALUATION RECORDS

Classroom (On-Site) Education/Training
Registration List and Sign-in Sheets: A typed registration list with attendee emails and phone numbers, as well as sign-in sheets with printed names and signatures, must be sent to IJCAHPO within 30 days after program date.

Attendance and evaluation records must be retained by the contact person/host organization for a minimum of three (3) years from the date of the presentation due to IJCAHPO recertification cycles and audit purposes. IJCAHPO reserves the right to audit the attendance records and courses listed, including course evaluations. These records must be available to IJCAHPO and/or the attendee upon request, within this three-year time frame. The following statement must be used on all marketing and on-site programming and is required for all CE programs:

CE credit for a course will be denied to individuals who miss more than 15 minutes of that course.

Live Stream and Distance Learning Education
The contact person/host organization is required to retain post-test/quiz answers, evaluations, and CE credit reporting forms for each individual for a minimum of three (3) years due to IJCAHPO recertification cycles and audit purposes.

P. APPLICATION DEADLINE AND EXPIRATION

All Programs
Application reviews may take 5-8 weeks to complete.

Classroom (On-Site) Education/Training
Completed applications must be submitted at least five (5) weeks prior to the program or a rush and/or late fee is charged. CE credit is valid for the date of the program only, which must be the begin date on the application. Programs may be repeated within one year of the begin date, with the exception of in-service training (see Policy: Program Fees for information regarding repeating programs).

Live Stream Education
Completed applications must be submitted at least five (5) weeks prior to the date of the Live Stream or a rush and/or late fee is charged. CE credit is valid for the date of the program only, which must be the begin date on the application. These programs cannot be repeated. If host organizations wish to re-broadcast the recording, they must complete a new Distance Learning application.

Distance Learning Education
Completed applications must be submitted at least five (5) weeks prior to the release of the material or a rush and/or late fee is charged. Submission of multiple courses at one time may require additional review time. CE credit is valid for two years in one payment. The expiration date of the awarded CE credit must be published. These programs cannot be repeated. After two years, the program must be submitted as a new Distance Learning application.

Q. PROGRAM CHANGES
If a host organization is requesting to change their educational format (after submitting their initial application) from Classroom to Live Stream or Distance Learning, appropriate fees for the new format will be due. IJCAHPO will use the initial application fees towards the new format fees. If a host organization is requesting to change their educational format from Live Stream or Distance Learning to Classroom, no refunds will be given.

R. COURSE DENIAL
No refunds or credits will be issued when a course is denied CE credit approval by the IJCAHPO CE Credit Review Committee.

S. COURSE CANCELLATION
If the course is cancelled or postponed by the provider after submitting the application, no refunds will be issued.

T. RETROACTIVE CE CREDIT
CE credit hours will not be awarded retroactively.
U. PROGRAM FEES
Fees are charged for each individual title or topic. Topics may not be grouped for Distance Learning and submitted together as one course. The CE fees are based on the total number of program hours. No partial program will be reviewed or qualify for CE credits. All applicable fees **MUST** be submitted with the application before the review process will begin.

**Program Types**

**In-Service Training**: Includes complimentary in-service training for its own staff by any employer (e.g., private practices, clinics, hospitals, academic, and education programs). These programs cannot be repeated.

**Clinic/Hospital/Academic/Association/Society**: Includes any training where any registration fee is collected from attendees.

**Consultant/Business/Industry**: Includes any education and training by consultants, pharmaceutical and instrument companies, and businesses.

**Late Fees**
A **LATE FEE** will be charged to process any application received less than five (5) weeks prior to the begin date of a program.

**Rush Fees**
A **RUSH FEE** will be charged to process any application needing to be reviewed by a specific date. Any application submitted five (5) business days or less prior to the begin date of the program will automatically be charged a **RUSH AND LATE FEE**.

**Repeat Fees**

**Classroom**
A program may be repeated with IJCAHPO CE credit within one year from the begin date on the application (with the exception of in-service training), provided that the program and faculty remain the same each time the program is repeated and the program evaluations continue to reflect a good rating by attendees. Notification of the program date(s) and the appropriate fee for each repeat presentation must be faxed, emailed, or postmarked to IJCAHPO at least five (5) weeks prior to the start date of the repeated presentation(s), or a late fee will be charged. Please complete the application page for all repeat orders.

If the content, faculty, or duration changes, the course must be submitted as a new application.

**Live Stream**
These programs cannot be repeated. If host organizations wish to re-broadcast the recording, they must complete a new Distance Learning application.

**Distance Learning**
Courses are approved for two years in one payment. These programs cannot be repeated. After two (2) years, the program must be submitted as a new Distance Learning application.

**Reconsideration Fees**
Host organizations who challenge the decision of the IJCAHPO CE Credit Review Committee may request a one-time reconsideration. The reconsideration fee is determined per CE hour reviewed. The reconsideration request must be in writing, include all required materials and fees, and must be received within 10 days of original notification by IJCAHPO. Please allow 5-7 business days for review of reconsideration requests.

**Appeal Fees**
If the host organization is not satisfied with the outcome of the reconsideration request, they may request a one-time appeal and must address specific reasons for the appeal. A $100.00 fee is charged for the appeal process. Please allow a minimum of 60 days for review of appeals. If a course is still denied after the appeal, a new application will need to be submitted.
APPLICATION CHECKLIST

All applications **MUST** include all applicable items. IJCAHPO will not process incomplete applications. All fees **MUST** be included for your application to be considered complete.

CHECK WHEN COMPLETED

- **Lecture Content** (required for each lecture)
  - Title, Time, Speaker
  - Course Duration/CE Credits
  - Target Group
  - Course Level: Basic, Intermediate, or Advanced
  - Teaching Method
  - Course Information: Description and Learning Objectives

- **Speaker Form**
- **CE Credit Reporting Form**
- **Program Evaluation Form**
- **Promotional Material/Advertisement**
- **Application and Course Materials**
- **Fees**
- **Sign-In Sheets**
- **Post-Test/Quiz (If Applicable)**

PROGRAM SCHEDULE EXAMPLE

This is provided as a template of a one-day program totaling 3.75 hours.

### Title

**Basic Introduction to the Eye and Eye Disease**

### Lecture #

1

### Time

8:00-9:00 a.m., one hour

### Course Description

This lecture is an introduction to eye disease and anatomy. Descriptions of common eye disorders are presented.

### Objectives

1. Identify the components of the visual system and their functions.
2. Describe three of the most commonly encountered eye disorders.

### Speaker and Credentials

John Doe, MD

### Target Group

Ophthalmic assistants and technicians

### Level

Basic

### Prerequisite

None

### Teaching Method

Lecture, PowerPoint

### CE Credits Requested

Note: Please complete an additional evaluation form if this program has more than six courses and/or instructors.

This course was delivered using the following media (Check all that apply):
- Classroom
- Live Stream
- Distance Learning

What part of the program was most useful to you?

What part of the program was least useful to you?

General comments about the program:
1. On which topics can a COA, COT, or COMT lecture?
   Patient care, diagnostic testing, equipment, history taking, and CPR are examples of topics that may be presented by qualified non-physicians.

2. Can a technician or optometrist (OD) give a lecture on disease if a medical doctor (MD) is present in the room?
   No. A course that involves clinical judgment, disease, medical diagnosis, medical treatment, or surgery must be taught or principally authored by a medical doctor (MD) or a doctor of osteopathy (DO). If a non-MD or non-DO is presenting or authoring the course on any of these topics, an MD or DO must play the major role in the development and delivery of the course.

3. Do instructors receive CE credit(s) for giving a lecture?
   Instructors receive the same amount of CE credit(s) as attendees. Instructors can only receive CE credit(s) one time in their 3-year certification cycle, for delivery of a specific lecture.

4. If a speaker becomes ill the day of the program, can the lecture and/or speaker be changed if I advise IJCAHPO the next business day? Would the lecture still be approved for CE credit?
   Yes, we understand that crises happen. You must resubmit the course with the new information and pay the reconsideration fee. IJCAHPO will notify you if the new course is approved for CE credit.

5. Can I change a lecture and/or speaker on an approved program before the start of the program?
   Yes, you will need to resubmit the course with the new information and pay the reconsideration fee. IJCAHPO will notify you if the new course is approved for CE credit.

6. Can I change a speaker on a repeat Classroom program?
   No. Programs can be repeated only if the program and faculty remain the same each time the program is repeated.

7. Can I repeat part of a Classroom program?
   Programs can be repeated (with the exception of in-service training), provided that the program and faculty remain the same each time the program is repeated. Using only part of the program would require a new application.

8. Can a Live Stream program be repeated?
   These programs cannot be repeated. If host organizations wish to re-broadcast the recording, they must submit an application with appropriate fees as a new Distance Learning application.

9. Can Distance Learning Programs be repeated?
   Courses are approved for two years in one payment. The expiration date of the awarded CE credit must be published. These programs cannot be repeated. After two (2) years, the program must be submitted as a new Distance Learning application with appropriate fees.

10. My application for a Classroom and a Live Stream event was submitted 4 weeks prior to my event; do I need to pay the Classroom and Live Stream late fees?
   Yes, your program MUST submit the application with a Classroom LATE FEE AND a Live Stream LATE FEE.

11. How do I avoid rush and/or late fees?
   Completed applications must be submitted at least five (5) weeks prior to the program or a rush and/or late fee is charged.
   Examples:
   1. A Classroom program is submitted 4.5 weeks before the program date. This application must be submitted with a LATE FEE of $150.00.
   2. A Classroom program is submitted 7 weeks before the program date but needs to be reviewed within 2 weeks of submission. This application must be submitted with a RUSH FEE of $250.00.
   3. A Classroom program is submitted 5 business days before the program date. This application must be submitted with a RUSH FEE of $250.00 AND a LATE FEE of $150.00 ($400.00 total).
IJCAHPO’s Career Center is your partner in hiring, training, and retaining your Allied Ophthalmic Personnel (AOP).

Employers—it will assist you to:
- Seek the right employees
- Post available jobs
- Explore candidate resumes
- Manage applications received
- Access resources

Employees will be able to:
- Connect with the right employers
- Post their resume
- Get interviewing advice
- And so much more!

Visit the IJCAHPO Career Center at https://careers.jcahpo.org and find the Right Employee!

IJCAHPO Certification
Certification promotes employment advancement, potential higher pay and recognition.

IJCAHPO certification is voluntary and demonstrates that the individual meets specific criteria for knowledge of allied ophthalmic care and possesses the mastery of a broad range of skills related to the needs of ophthalmic patients. The decision to become IJCAHPO certified exhibits pride in the profession, the desire to be recognized for proficiency of the certification content, and a commitment to ophthalmic patient care.
