Scholarship Recipient Testimony

"Thank you so much! I was not expecting a scholarship voucher to use toward my certification test! I continue to feel supported as I work toward a rewarding career in ophthalmology. I could see my six classmates were equally excited to receive their vouchers!" — M. D., Maple Grove, MN

"This scholarship has made a difference for me during the school year because I no longer had to work three jobs to help pay for my school tuition. It has given me more free time/study time so I could focus more on school." — A. V., Morganton, NC

The Virginia S. Boyce Humanitarian Award is granted to ophthalmic medical personnel who have made outstanding voluntary service contributions to eye care. This year's recipient is Elizabeth Affel, CDOS, ROUB, FOPS.

Elizabeth was selected as the 2018 Boyce Award recipient in recognition of her many years of volunteerism both here in the USA and abroad. She has traveled to Ecuador and Cameroon, offering her services to the underprivileged. According to Jessica Barr, COMT, ROUB, Elizabeth "embodies everything it means to be a true leader. She gives more than she takes, gives so much, so freely, and so willingly, simply for the good of others and the world."
