

Continuing Education

for Allied Ophthalmic Personnel

Certification and Education for Eye Care Excellence

Friday, May 12, 2017

Four Seasons Hotel Vancouver

791 West Georgia Street, Vancouver, BC V6C 2T4, Canada

Held in conjunction with the Canadian Society of Ophthalmic Medical Personnel (CSOMP)
and British Columbia Society of Eye Physicians and Surgeons (BCSEPS)

Lectures

Four Seasons Hotel Vancouver, Park Ballroom A

8 JCAHPO Group A Credits

Friday, May 12, 2017

Program Chair: Warren Whitford, COMT

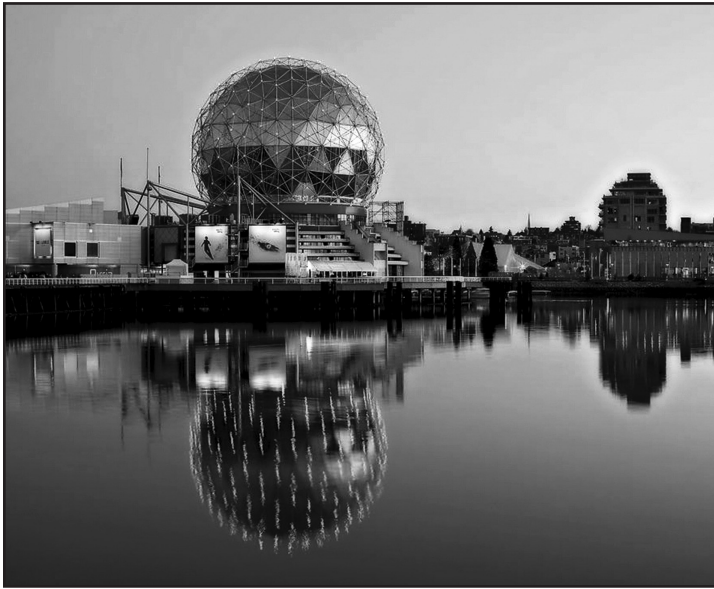

- 7:30-8:00 a.m. **REGISTRATION AND CONTINENTAL BREAKFAST: PARK BALLROOM A-C FOYER**
- 8:00-8:50 a.m. **MULTIPLE MODALITIES CASE PRESENTATION** • Craig Simms, BSc, COMT, CDOS, ROUB
This course will present cases where the patient underwent multiple testing modalities. The focus will be on how the different modalities correlate and help the ophthalmologist come to a conclusion. Cases presented will include ultrasound imaging, photography, visual field testing, and electrophysiology.
- 8:50-9:40 a.m. **GLAUCOMA: THE CLINICAL APPROACH** • Robin Cottle, MD, FRCS
Glaucoma is well known as the second most common cause of blindness in America. This course will highlight the anatomical and pathophysiological changes of the glaucomatous eye with corresponding classifications, preventions, and treatment options. The objective of this course is to aid the technician's recognition of glaucomatous eye changes and assist in diagnostic testing determination.
- 9:40-9:55 a.m. **BREAK**
- 9:55-10:45 a.m. **LOTIONS, POTIONS, TOXINS, AND FILLERS: NONSURGICAL REJUVENATION**
Femida Kherani, MD, FRCSC, DABO
This course will introduce a variety of non-surgical rejuvenation methods for the face and periocular region. Focus will be on topical treatments, botulinum toxins, and dermal fillers that can be used to shape the periocular region and provide patients with a more youthful look. Each of these treatments can be used alone or, ideally, in combination for a more optimal outcome.
- 10:45-11:35 a.m. **A COMPREHENSIVE REVIEW OF THE EYE** • Dhar Dhanda, MD, FRCSC
A review of various clinical and surgical aspects of the function of the eye.
- 11:35 a.m.-12:40 p.m. **LUNCH**
- 12:40-1:30 p.m. **CATARACT SURGERY** • Christopher Pollock, MD, MSc, FRCSC
Informed consent for cataract surgery in British Columbia, steps of cataract surgery, and common and serious complications will be discussed in this course. Surgical videos will be shown.
- 1:30-2:20 p.m. **PRIMARY AHMED VALVE IMPLANTATION: A SURGICAL OPTION FOR PEDIATRIC GLAUCOMA**
William F. Astle, MD, FRCSC, Dipl. ABO
Ahmed valve surgery as a primary procedure is a viable alternative to more standard glaucoma operations for treatment of congenital and pediatric glaucoma. It represents a valuable tool in quickly regaining IOP control in these complex pediatric cases, without the need for multiple surgeries and prolonged exposure to loss of vision from poorer long-term IOP control.
- 2:20-2:35 p.m. **BREAK**
- 2:35-3:25 p.m. **OVERVIEW OF VITREORETINAL SURGERY** • Steve Levasseur, BSc, MD, FRCSC
One of the breakthroughs in ophthalmic medicine has been the restoration of eyesight to patients diagnosed with retinal eye diseases. Through lecture on the basic principles of retinal surgery and the use of video presentations, this course will present various retinal diseases and applicable surgical and laser treatments of those conditions. The technician's understanding of vitreoretinal surgery can be a useful reinforcement in patient counseling to help understand expectations.
- 3:25-4:15 p.m. **DON'T EXPECT THE UNEXPECTED** • Craig Simms, BSc, COMT, CDOS, ROUB
Mistakes happen. Nobody means to make a mistake. However, in an eye clinic there are things we as AOP can do to help reduce the number of mistakes that happen. This course covers real-life mistakes that have happened in an eye clinic and ways to help minimize their effect.
- 4:15 p.m. **ADJOURN**

Registration Form

Registration form may be duplicated. Please use one form per registrant.

Vancouver Continuing Education Program
May 12, 2017

Registration and Cancellation Deadline: May 5, 2017

- Register Online: <http://store.jcahpo.org/calendarschedule.aspx> (preferred) or
- Mail form and payment to:
JCAHPO: 2025 Woodlane Drive, St. Paul, MN 55125 or
- Fax this completed form to: (651) 731-0410 (Credit card charges only)

I wish to register for:

All check payments must be in U.S. funds and drawn on a U.S. bank.

Individual Registration:

- JCAHPO Certified or CSOMP Member*\$110
- Other registrants\$135

Continuing Education Program

for Allied Ophthalmic Personnel

Friday, May 12, 2017
Vancouver, BC
Canada

General Information

HANDOUTS

A link to course handouts will be e-mailed to registrants one week prior to the meeting date, as they are not provided onsite. Handouts are available for two weeks.

CANCELLATIONS/REFUNDS

All cancellations and requests for refunds must be received by JCAHPO in writing. A processing fee of \$75 is deducted from each cancelled registration to cover a portion of the costs JCAHPO incurs. ATPO Memberships are non-transferable and non-refundable.

CONTINUING EDUCATION CREDITS

JCAHPO, AOC, OPS, and CA BRN continuing education credits have been approved for this meeting. Continuing education credits earned will be posted on your account at www.jcahpo.org approximately 4-6 weeks after the program for participants who complete evaluation forms.

NOTE: Attendance is monitored for each hour of instruction. Participants absent for more than 15 minutes of any given hour will not receive credit for that hour.

For additional information regarding registration, contact JCAHPO at (800) 284-3937, e-mail registrations@jcahpo.org, or visit www.jcahpo.org.
