

IJCAHPO Certification

*Certification promotes employment advancement,
potential higher pay and recognition.*

IJCAHPO certification is voluntary and demonstrates that the individual meets specific criteria for knowledge of allied ophthalmic care and possesses the mastery of a broad range of skills related to the needs of ophthalmic patients. The decision to become IJCAHPO certified exhibits pride in the profession, the desire to be recognized for proficiency of the certification content, and a commitment to ophthalmic patient care.
