**Scholarship Information:** Scholarships will be awarded as vouchers towards the certification examination fee. The amount of each award ranges from $50 to $340. Criteria used for determining the amount are a Student’s GPA and level of the certification examination. Program Directors may include additional information for consideration if applicable (see student application).

Selection of scholarship recipients and amounts awarded is accomplished by the Scholarship Committee and at the discretion of the Foundation’s Board of Directors. Awards of more than $1,000 will be distributed in two portions and distributed to either the school or the student, dependent on amount of tuition owed to the school. The second payment is released upon receipt of a favorable progress report from the program director.

If a Foundation grant benefactor restricts a gift to students in a particular city/state, the medical and program directors may be asked to recommend the candidate(s) in that locale. Currently the following programs have funds designated:
