

Sponsorship, Marketing, and Advertising OPPORTUNITIES

The International Joint Commission on Allied Health Personnel in Ophthalmology (IJCAHPO®) is your gateway to reaching Allied Ophthalmic Personnel (AOP). Partnering with IJCAHPO will enhance your company's image and increase your brand presence in the field of ophthalmology.

The continuing evolution of print, digital media, and online advertising allows us to offer numerous media options throughout the year for your company. **We are dedicated to designing a custom media and meeting package to best suit your marketing mix and budget.** Please take a moment to review the different sponsorship, marketing, and advertising options in this media kit. You will see opportunities for presence at our Annual Continuing Education (ACE) Program, participation in our regional meetings, and visibility through our online and print promotions.

If you have ideas that are not listed, contact us to create your personalized plan!

WHO WE ARE

IJCAHPO was established by the industry as a not-for-profit organization in 1969 to offer certification and continuing education opportunities to AOP. Over 34,000 people around the world hold an IJCAHPO certification.

Through our publications, programs, webinars, and training, IJCAHPO is a pioneer in continuing ophthalmic education and the development of certification standards for AOP.

OUR MISSION

To promote global eye health and prevent blindness through training program accreditation, education and the certification of Allied Ophthalmic Personnel.

34,000*

TOTAL CERTIFICANTS

Through sponsorship and advertising, you will reach nearly every ophthalmology clinic in the U.S. and Canada.

*Includes COA, COT, COMT, OSA, ROUB, CDOS, CCOA, and OSC.

ANNUAL CONTINUING EDUCATION (ACE) PROGRAM

The ACE program is held in conjunction with the American Academy of Ophthalmology's (AAO) annual meeting each fall. This combination creates the most significant and successful platform to reach the largest number of ophthalmic professionals in the field of ophthalmology.

Being an ACE partner is a great way to highlight your company's commitment to eye care education. You will be seen by on-site and virtual attendees, and by over 45,000 ophthalmologists and AOP who receive the ACE Bulletin. Our ACE website has over 20,000 visitors generating more than 150,000 page views.

ACE SPONSORSHIP, MARKETING, AND ADVERTISING OPPORTUNITIES

Some opportunities have limited availability, and are offered on a first-come, first-served basis.

ACE Bulletin Ad Starting at \$950

The comprehensive guide for the entire ACE event. Distributed to more than 45,000 ophthalmic professionals, including ophthalmologists, ophthalmic technicians, and clinic managers. Also viewable on the ACE website.

Website Banner Ad

360 x 400 pixels \$5,500/90 days

A banner ad on the ACE website home page gives your company unique, widespread coverage for months leading up to and during the event. (Space is limited.)

Attendee Giveaways \$12,000

Give attendees something they will use long after the program. A walking billboard for your company with exclusive sponsorship!

Keynote Lecture \$6,500

The highlight of the ACE program! Be the official sponsor of the keynote lecture, free to all ACE attendees. Includes on-site signage, verbal acknowledgment by IJCAHPO's President, a listing in the Bulletin, and company logo displayed before and after the lecture.

Exhibit Table

(On-site two days, virtual three weeks+) \$2,500

An exhibit table staffed by you for personal contact with your target market. Two-day on-site opportunity, plus a virtual booth, allowing you to reach an even greater number of AOP.

"Be Seen" Broadcast \$3,000

"Commercial Spots" feature your ad, logo, or video (up to 10 seconds) on a continuous loop for three days, shown in all classrooms.

Learning Labs \$3,500

Hands-on training with your company's products. Includes signage outside the classroom and acknowledgment in the ACE Bulletin.

Flyers \$2,000

Introduce your company to the attendees and give them information to take home. *Flyers must be created and produced by sponsoring organization.*

ophthalmologists surveyed say they rely on their ophthalmic technicians to recommend and purchase software, equipment, and other merchandise for their office.

REGIONAL & VIRTUAL CONTINUING EDUCATION PROGRAMS

OVER
3,500

technicians attend our
Regional & Virtual Continuing
Education (CE) programs over
the course of the year.

IJCAHPO offers a series of one- and two-day continuing educational programs held at various locations in the U.S. and Canada. Attendance averages between 75–150 AOP per meeting, with some reaching 200. Leading industry professionals present a variety of topics AOP can immediately apply to their work. These programs allow you the opportunity to reach more ophthalmic professionals, more often, and in more places.

Make your presence known in a more intimate setting where you can connect directly. It's perfect for hands-on technical education about your products.
