

General Information

Friday, March 11, 2022

Location

Sheraton Salt Lake City Hotel
150 West 500 South
Salt Lake City, UT 84101
801-401-2000
Meeting Room: Canyons Ballroom

Cancellations/Refunds

All cancellations and requests for refunds must be received by IJCAHPO in writing. A processing fee of \$75 is deducted from each cancelled registration to cover a portion of the costs IJCAHPO incurs.

Handouts

A link to course handouts will be emailed to registrants the Monday prior to the meeting date, as they are not provided on-site. Handouts are available for two weeks.

Continuing Education Credits

IJCAHPO and CA BRN continuing education credits have been approved for this meeting.

Continuing education credits earned will be posted on your account at www.jcahpo.org approximately 4–6 weeks after the program for participants who complete evaluation forms.

NOTE: Attendance is monitored for each hour of instruction. Participants absent for more than 15 minutes of any given hour will not receive credit for that hour.

Parking

Free parking is available on the west or east side of hotel.

Hotel Reservations

The Sheraton is offering a special rate of \$129 plus tax for meeting attendees. We have a limited number of rooms available this year. Please call (888) 627-8152 and mention the ophthalmology conference. We cannot guarantee this rate if our block sells out. The cut off day to reserve available rooms is February 17, 2022.

IJCAHPO Meeting Vaccination and Mask Protocols

IJCAHPO is committed to keeping your health and safety a priority.

IJCAHPO continues to follow all health and safety guidelines and on-site attendees/staff will be required to comply with all Center for Disease Control (CDC) protocols. IJCAHPO follows the most current CDC guidelines and has the right to update our requirements accordingly.

Important Note:

All attendees voluntarily assume all risks related to exposure to COVID-19 when attending IJCAHPO meetings and events. All program participants will be required to follow all local and hotel protocols. For current and more information visit:
<https://www.cdc.gov/coronavirus/2019-ncov/travelers/travel-during-covid19.html>

Masks

IJCAHPO requires all attendees to wear masks regardless of any local regulations and mandates.

Vaccinations

Before being allowed to participate in activities, all on-site meeting participants, including staff, exhibitors, and guests, will be required to:

1. Be fully vaccinated and show proof of COVID-19 vaccination; or
2. Show proof of negative PCR COVID test within 72 hours of the program starting.

Prior to the program, attendees will be asked to provide proof that they are fully vaccinated with an approved vaccine or a vaccine approved for emergency use by the U.S. Food and Drug Administration (FDA) or the World Health Organization (WHO), or proof of a negative PCR COVID test.

43rd Annual

UTAH

Ophthalmic Technician Program

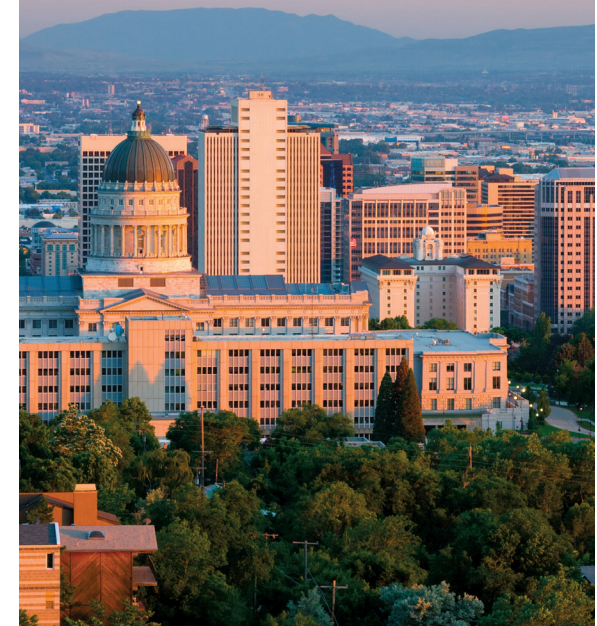

March 11, 2022

Keynote Address Presented by:
William Mieler, MD

Sheraton Salt Lake City Hotel
150 West 500 South, Salt Lake City, Utah

Eye M.D.s of Utah
THE UTAH OPHTHALMOLOGY SOCIETY

IJCAHPO
INTERNATIONAL JOINT COMMISSION ON ALLIED
HEALTH PERSONNEL IN OPHTHALMOLOGY®

Utah Ophthalmic Technician Program

Program Chair: Hughes Webster, COT

7:30 – 8:00 a.m.
Registration

8:00 – 9:00 a.m.
Update of Macular and Retinal Dystrophies
William Mieler, MD

This course will review the phenotypic and genotypic manifestations of a variety of inherited macular and retinal conditions through use of history, multi-modal imaging, and genetic studies. Treatment, including gene therapy of specific conditions (where available), will also be reviewed.

9:00 – 9:40 a.m.
Cataract Surgery Evaluations and Calculations/
Tips to Being an Even Better Tech
Darcy Wolsey, MD

This two-part course will present what is important in the work up of evaluations and calculations for cataract surgery. Tips for techs to help work ups, scribing, and clinic flow will be offered.

9:40 – 9:55 a.m.
Break

9:55 – 10:55 a.m.
Mystery Retina 2022: Interactive Discussion of Challenging Cases
William Mieler, MD

This course will discuss a number of diagnostically challenging “mystery retina” cases. The majority of the presentations will include interpretation of fluorescein angiography (FA) and optical coherence tomography (OCT) test results. When indicated, other studies will be shown. The cases will be presented as unknowns followed by discussion.

10:55 – 11:55 a.m.
Glaucoma: An Overview and Clinical Applications
Michael Burrow, MD

This course will provide an overview of pathophysiology of glaucoma, clinical diagnosis, monitoring, and treatment. Clinical pearls in the evaluation and treatment of patients with glaucoma or suspected glaucoma will be presented.

Friday, March 11, 2022

7.5 IJCAHPO CE Credits

11:55 a.m. – 12:25 p.m.
Tips for Being a Super Tech
Hughes Webster, COT

This course will review tips for being an all-around great technician and helping your team exceed expectations.

12:25 – 12:55 p.m.
Lunch

12:55 – 1:55 p.m.
Corneal Crosslinking for Keratoconus and Ectasia
Brock Hansen, MD

This course is a summary of current practices regarding keratoconus and ectasia. We will identify patients who are potentially at risk for keratoconus, discuss diagnostic tools, and treatment options.

1:55 – 2:35 p.m.
Red Flags That Should Get Your Attention
Aaron Smalley, MD

Technicians and support staff interact with patients in many ways and can discover important information that can aid in evaluating the urgency of the visit and the proper management of the presenting problem. Red flags should serve as warnings that there may be a serious ophthalmic condition and should be noted.

2:35 – 2:50 p.m.
Break

2:50 – 3:30 p.m.
Optics
Hughes Webster, COT

This course will discuss a variety of elements branched from clinical optics.

3:30 – 4:30 p.m.
The Refractive Evaluation From Age 40 and Beyond
Samuel Passi, MD

This course will focus on the refractive evaluation of patients from age 40 and beyond. It will review refractive options from laser vision correction and refractive lens exchange, to cataract surgery. Finally, it will discuss the key steps in the refractive evaluation which help the provider choose the best treatment.

4:30 p.m.
Adjourn
